PRG SELECTED AS OFFICIAL TEAM SUPPLIER TO BOTH EUROPEAN AND US RYDER CUP TEAMS

PRG is delighted to have been appointed as an Official Team Supplier to both Europe and US Ryder Cup Teams for the 43rd Ryder Cup matches to be held at Whistling Straits in September 2021. Having supplied The U.S. Ryder Cup Team for the last two events, PRG has added Team Europe to its client list, becoming one of only two brands selected to supply both Ryder Cup teams.

“It’s a tremendous honour to be selected as an Official Supplier for both Ryder Cup teams,” said PRG founder and PGA professional Stephen Riley. “We’ve been delighted to work with the U.S Ryder Cup team over the last four years and it’s testament to the quality of our products and a great commendation for us to have Team Europe come on board too. The Ryder Cup is one of golf’s most prestigious events and to be a part of it is hugely exciting.”
